Two most common myths:

1. You need a scholarship to be in ROTC. FALSE.
-The Guard pays. No scholarship required.
2. You need to go to a school with a ROTC program. FALSE.
-Need to be full time in a 4 year degree program at any accredited college or university.

Minimum time required for prior service (Basic Training/AIT Qualified) soldiers in ROTC is 2 years. Cadets can contract at the beginning of their sophomore year to be fenced from deployment and to start receiving the ROTC Stipend. Age limit is 30 years old with waivers for Prior Service.
